

MENDEL
WINES

Cabernet Sauvignon

90+ **2016**
points

“This 2016
is spicy and

and fresh, not a style
of concentrated and tannic
Cabernet, more elegant than
structured. According to Roberto
de la Mota, the character
comes from clone 337, which
is the one used to plant
this vineyard. There is good
definition, and it's clean.”
