Finca Remota

95 **2015**
points

“2015 Finca
Remota is an

excellent example of Malbec from a single vineyard in Altamira (Valle de Uco) with the telltale tannins from the variety grown on limestone soils. The palate shows the expressive character of the variety and the chalky minerality of the limestone soils. It's balanced, tasty and long. Not a super powerful Malbec, but it's concentrated enough and is especially balanced.”
